# Dedication

Mr. Charles Gray  
Advisor 1977-1980

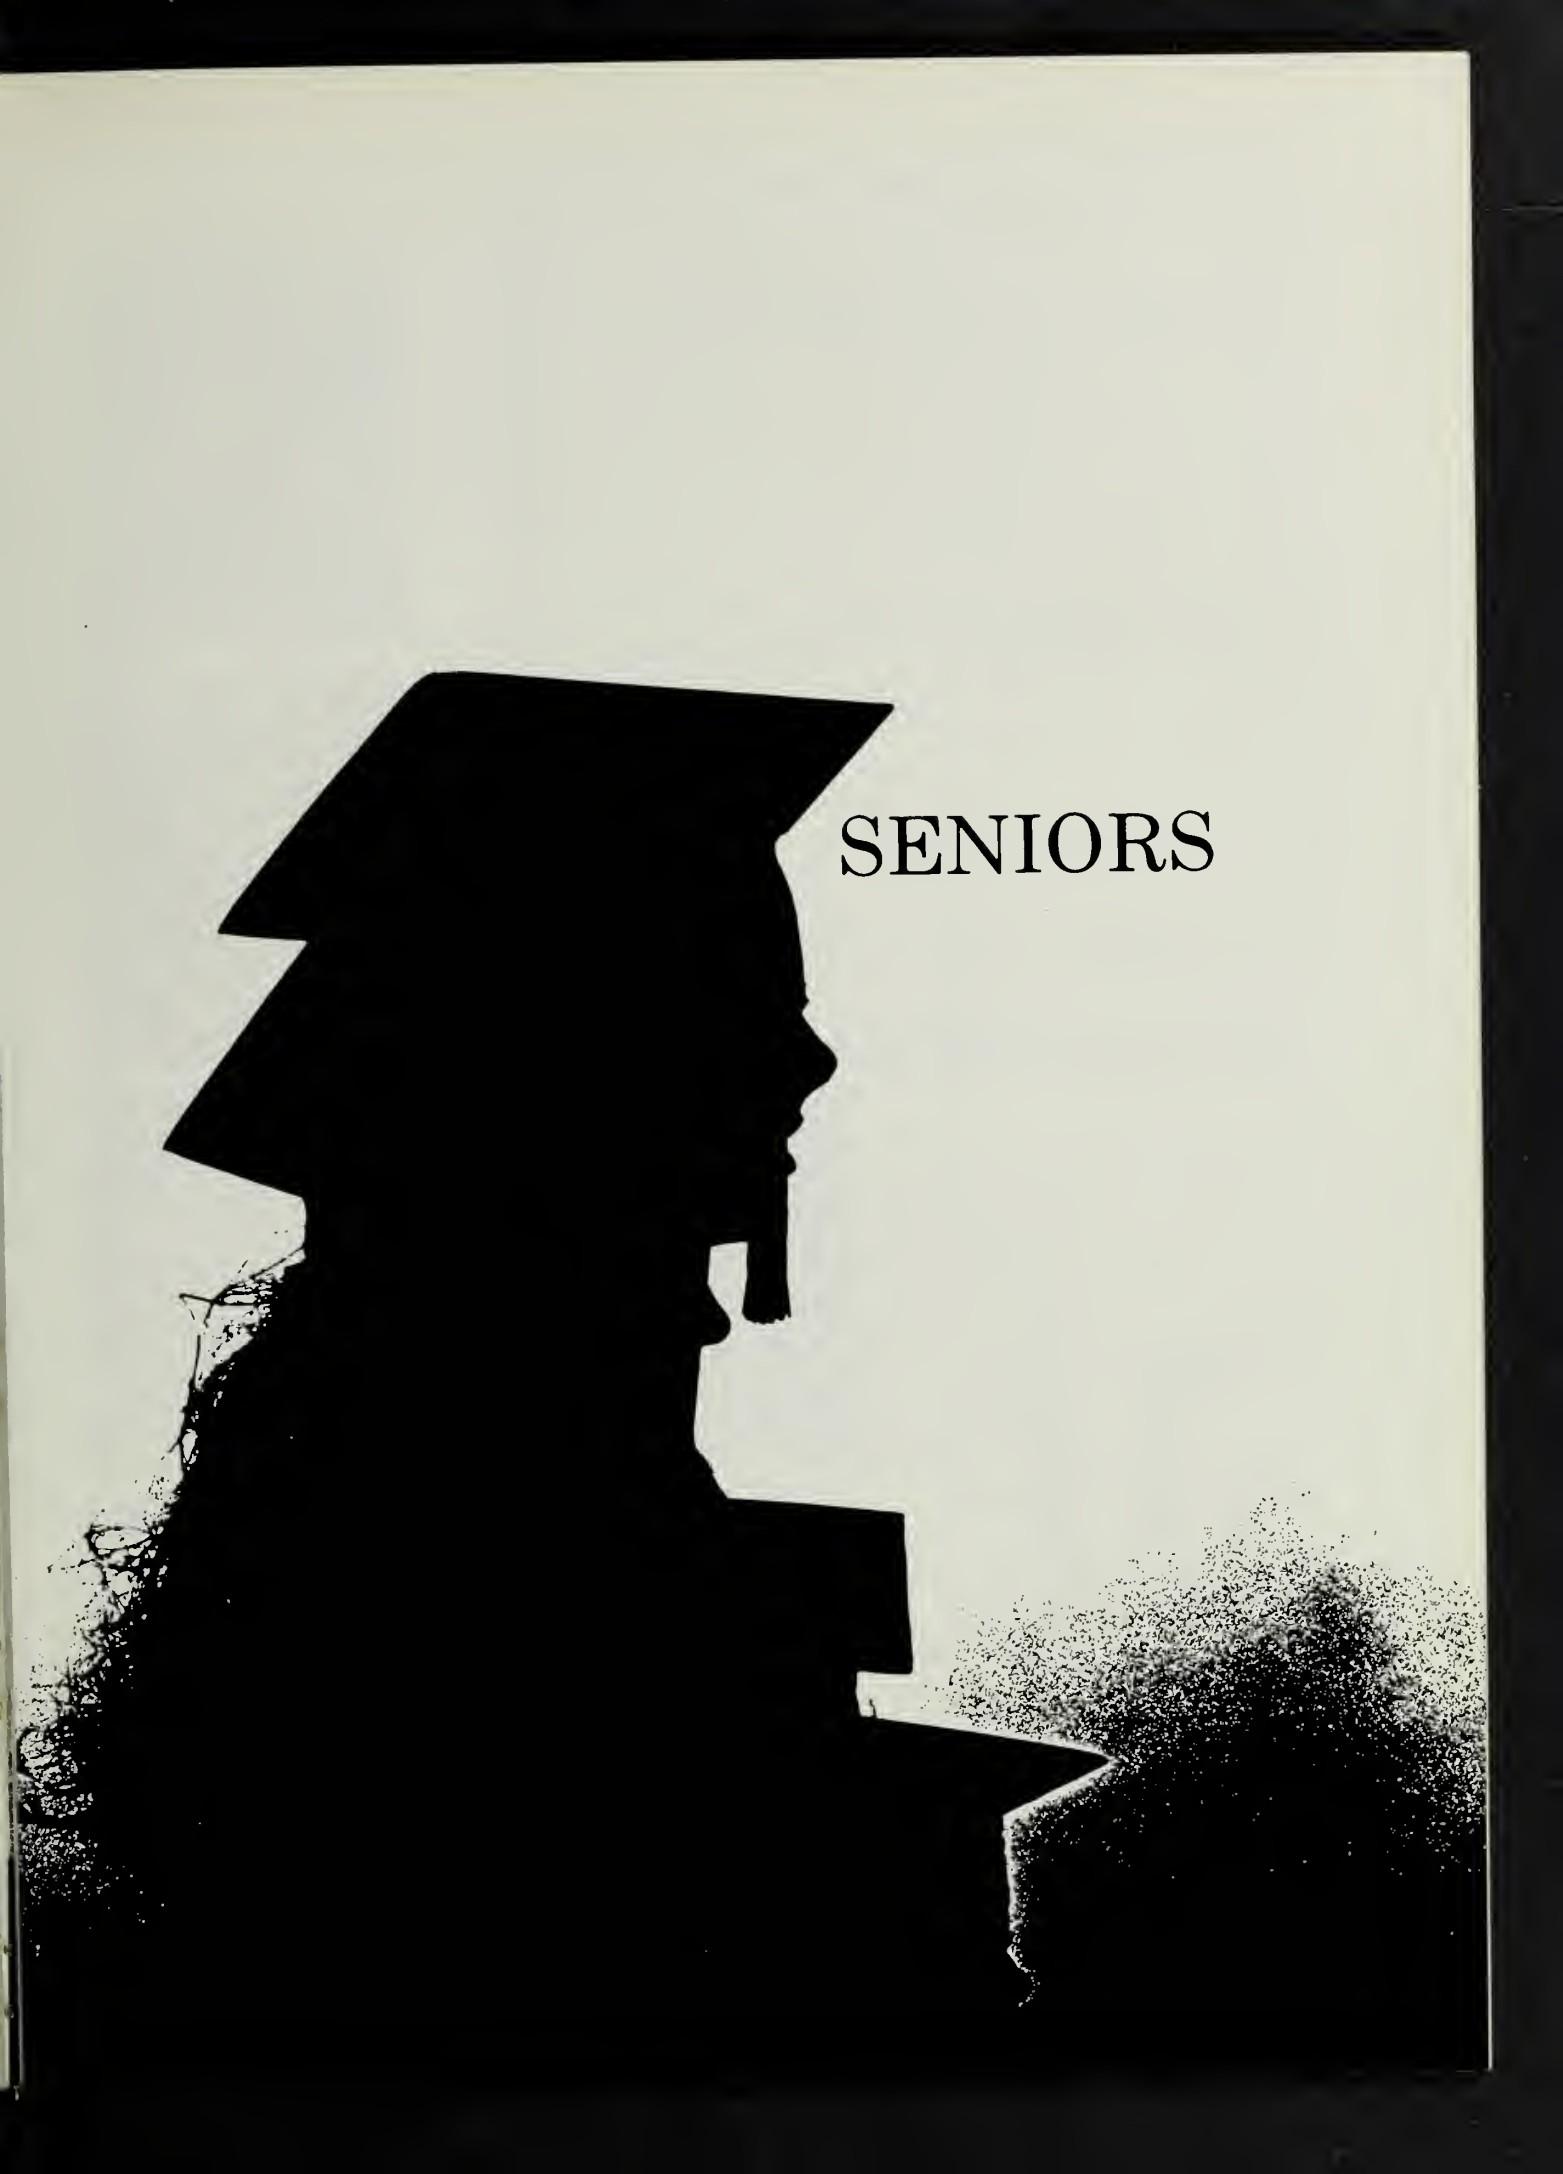

Mr. John Elias  
Advisor 1978-1981

Mr. Lewis Canedy  
Advisor 1981

During our four years at McCann Tech., our class advisors have encouraged and directed us in the many social and fund-raising activities that we have undertaken. We are grateful to them for their patience, understanding and wise advice. In appreciation for their help and interest we dedicate the 1981 ARTISAN to them.

The Class of 1981 also honors four long-time teachers at McCann who either have left or will be leaving this year. Mrs. Isbell, Mr. Goss, Mr. Canedy, and Mrs. Magnussen gave a good share of their lives to McCann and its students, not only in the classroom, but also in extra curricular activities. On behalf of the entire student body we wish them the very best in the years to come. Thank you for giving us the opportunity to know you and to learn from you.

The 1981 Football team had a three and five record. The big win for the season was the closing-minute win over St. Joe, the first time we've been able to beat this team. The team will remember staying over night in the gym the night before this game in order to settle down. This was Coach Millard's last year as varsity coach; he will be succeeded by Coach Casuscelli.

This was Coach Noel's first year as varsity basketball coach. Although our record was not as good as we had hoped it would be, we had steady, dependable players, most of whom will be back next year. The highlight of the '81 season was Ken Sprague's breaking of the school record for the most points scored in a single game — 39 points against Wilmington.

Compliments Of  
WILLIAMSTOWN CAPTAIN'S TABLE

The record of the Girls' Basketball team does not reflect the intensity and dedication of the players. Chris Richardson was picked for the All-Berkshire County first team and to the All-Western Mass. second team. She had the distinction of being the second highest scorer in Berkshire County. This was the first year we had a JV team which augers well for future years.

The Girls' Softball team ended the season with a seven and nine record. Our team won three of their last four games, indicating the very great improvement that our girls showed during the course of the season. Although we will lose some valuable players through graduation, we look forward to next year when we will be a team to be reckoned with.

McCann produced another winning team in Baseball this year. Not only did we beat Pittsfield and St. Joe, powerhouses in their leagues, but we also beat Taconic for the first time ever. Because of our fine record, we were entered in the Western Mass. Division III tournament, where we beat Mohawk in the opening game in the 10th inning. We were not so fortunate in the semi-finals, getting beat by St. Joe. Despite our losing many players, we look ahead to an even better season next year.

Our cheerleaders, under the coaching of Mrs. Hahn during the football season and Mrs. Perrault during basketball, were a spirited and vocal group. They entered competition in Boston where they performed well.
